

Peninsula Health Public WiFi Terms and Conditions

General

If you are under 18 years you must have parent/guardian consent to use the Service. They must read and agree to the Terms and Conditions on your behalf.

Peninsula Health (*PH*) provides a free, unencrypted, publicly accessible wireless internet service (*Service*) for visitors and patients. By accessing and using the Service, you agree to accept and abide by these terms and conditions. You acknowledge that PH may monitor any or all of your use while connected to the Service and may terminate your access at any time, including as a result of a breach of these terms and conditions.

You agree to take responsibility for your own activities on the Internet and for the activities of your children.

User Support

PH does not provide support to configure equipment for use of the Service and cannot be responsible for any changes you make to your device settings to use the Service.

Security

PH cannot guarantee the security of the Service. Use of the Service is at your own risk. Information sent to and from a device connected to the Service may be captured by a third party. PH does not accept responsibility for any loss of data resulting from use of the Service.

Privacy

PH will not capture personal information of users of the Service unless consent is granted. PH may capture and process information about the enabled device to optimise display of website or apps on your device.

PH will collect and store the IP and MAC address of enabled devices, once the terms and conditions have been agreed to.

PH is not responsible for any third party use of personal information obtained through use of the Service.

Infringements

Illegal acts involving use of the Service may be subject to prosecution by local, state or federal authorities.
