

Monash at Peninsula (M@P) Program

ESTABLISHED 2008

What is the M@P program?

The M@P Program is a partnership between Monash University and Peninsula Health designed for nursing students. Being part of the M@P Program means:

- You complete all 2nd and 3rd year acute clinical placements with Peninsula Health
- Access to two dedicated M@P Clinical Facilitators that are contactable March-Dec each year to coordinate your placement experience
- Familiarity and stability with your placements, as you get to know Peninsula Health and your clinical facilitation team
- We get to know you as an individual and how you learn best, allowing us to ensure you have the best possible placement experience

Benefits of joining the M@P program?

- Individualised support – Clinical Facilitators will assist you to expand your knowledge and identify areas for improvement. We will work with you to ensure you develop the skills and confidence necessary to achieve your full potential as a novice nurse
- Consistency- All acute general placements are undertaken at Peninsula Health sites

The M@P Program
