

2020-21 Procurement Activity Plan

All Commercial Invitations and supporting documentation will be available from the Buying for Victoria Supplier Portal. Any interested party download the documentation.

After creation of an account, interested parties should register for notification against the below UNSPC categories or sub-categories relevant to their business.

When an Invitation is posted by Peninsula Health on the Buying for Victoria website interested parties will be notified directly via the site process relevant below listed categories/sub-categories. This list represents the categories and sub-categories that Peninsula Health typically use.

Please note that Peninsula Health WILL NOT directly notify any interested parties of upcoming opportunities. All notifications will be via the website.
