CONTACT ACCESS

For **Peninsula Health**
Service Referrals and Information

What is ACCESS?

ACCESS is the first point of contact for information and referrals to a wide range of community health, rehabilitation and specialist services provided by Peninsula Health.

Who will I speak to?

Our friendly ACCESS staff are experienced health professionals trained to provide you with information about our services.

How can ACCESS help you?

Anyone can call ACCESS.

Staff will assist you by providing information and they can take referrals for a wide range of Peninsula Health services. In many service areas ACCESS can provide information about other service options available.

ACCESS staff can also advise you if there are any particular requirements you need to be aware of and are able to book appointments for some services.

Health Professionals can contact ACCESS for information on a wide range of Peninsula Health services.

A written referral from service providers is preferred. ACCESS can advise and assist with this process if required.
