

TEMPORARY BUILDING CLOSURE

17 YUILLE STREET, FRANKSTON
INFANT, CHILD & YOUTH COMMUNITY MENTAL HEALTH

EXCITING CHANGES AHEAD!

We're getting closer to completing our brand-new clinic space!

To make it happen, we'll be renovating our reception area and treatment rooms.

Our clinic will be closed from Monday 22nd September to Friday 10th October.

We'll reopen and be ready to welcome you back on **Monday 13th October.**

Thanks for your patience—we can't wait to show you what's coming!

WHAT'S COMING!

Our new clinic build is on track to be ready by the end of the year!

Here's what you can look forward to:

- More space for seeing young people and families
- Dedicated group areas
- Modern, up-to-date facilities

We're excited to welcome you into the new space soon!

WE'RE STILL HERE FOR YOU!

Even while the clinic is closed, our team is still working and ready to support you

Appointments might be a bit less flexible, but you can still connect with us through:

- **Telehealth** (video appointments)
- **Phone calls**
- **Outreach visits** (at your home or another agreed location)
- **YPARC**
- **Rosebud Headspace** (825 Point Nepean Rd)
- **Frankston Headspace** (62 Playne St)
- **Frankston Integrated Health** (just in front of the hospital)
- **H Block** – Frankston Hospital
- **Hastings Community Health** (185 High St)

Reach out—we'll find the best way to support you!
