### New Services and Clinics

- **Paediatric Gynaecology Clinic** is commencing 26 June. Dr Deepti Rampal will commence this clinic and it will run fortnightly. This clinic will see girls from 5 months–18 years for a range of gynaecological problems. Access to this service is via written referral faxed to Frankston Hospital Outpatients **9788 1879**.
- **Another Paediatric Developmental Clinic** has been established. This assesses children under 5 years of age with significant developmental concerns. Dr Mandy Li runs this clinic each Thursday at Frankston Hospital Outpatients. Access to this service is via written referral faxed to Frankston Hospital Outpatients **9788 1879**.
- **Rosebud Consultant Follow Up Clinic** will commence on 10 July at Rosebud Hospital in Building 2 behind the main Hospital. Dr Karen O'Brien will commence this clinic as a ward follow up clinic for patients that have difficulty travelling to Frankston or Hastings The clinic will run monthly. Access to this service is via written referral faxed to Frankston Hospital Outpatients **9788 1879**.
- **Dermatology Clinic** has commenced. Dr John Su from the Royal Children's Hospital attends Frankston Hospital Outpatients on the 4<sup>th</sup> Friday of each month. Access to this service is via written referral faxed to Frankston Hospital Outpatients **9788 1879**.
- We run **Outreach Clinics** at 4 schools:

**Mornington Park Primary School**

**Rosebud Primary School**

**Hastings Primary School**

**Mahogany Rise Primary School**

Paediatricians visit each school weekly and see children from that school and surrounding schools. These children have been identified by their GP, teacher, welfare worker or parent. The child is seen with their parent/guardian. They do not see any child that has a private paediatrician or whose parents have not consented.
