

IN PARTNERSHIP BUILDING A HEALTHY COMMUNITY

2013-18 Strategic Plan 2013-18 Strateg

GOAL 1 Person centred care

Peninsula Health will:

- Be a welcoming and caring place
- Involve you and your family in decisions about your care
- Provide healthcare for your particular needs

GOAL 2 Service planning

Peninsula Health will:

- Continue to develop our health services
- Plan and build for the future

GOAL 3 Partnering

Peninsula Health will:

- Promote healthy living
- Work with other healthcare providers
- Provide services for the particular healthcare needs of our community

GOAL 4 Our workforce

Peninsula Health will:

- Care for and value our staff and volunteers
- Help staff and volunteers to learn new skills, work as teams, and find new ways of doing things
- Work by our values of 'Service, Integrity, Compassion, Respect and Excellence'

GOAL 5 Safety and quality

Peninsula Health will:

- Provide high quality care
- Be a safe and healthy place to work in
- Meet Australian standards for healthcare

GOAL 6 Learning, teaching and research

Peninsula Health will:

- Work with education and training organisations
- Encourage and support research
- Use the best available research to improve healthcare

GOAL 7 Sustainability

Peninsula Health will:

- Use our resources in the most efficient way
- Find ways to fund what we need in the future
- Use information and technology in the most effective way to support person centred care
