Seminar on Pregnancy, Neonatal and Infant Issues

The Royal Children's Hospital and Royal Women's Hospital in collaboration with the North Western Melbourne Primary Health Network are hosting a seminar for GPs, shared maternity care affiliates, community nurses and midwives on Saturday 24 November 2018 from 8:30am – 1:30pm at The Royal Children's Hospital Ella Latham Lecture Theatre.

Presentations will include Vascular Birthmarks, Genetic testing and screening, Foetal growth restriction and foetal, and IVF / assisted reproduction, and updates on cervical screening and the State-wide paediatric HealthPathways project.

Registration fee: \$48.00 To register for the seminar, please click [here](#)
